

Bessie Bunny's Bed & Breakfast

Bunny Sitting Contract

Thank you for boarding your rabbit(s) at Bessie Bunny's Bed & Breakfast while you are away from home. While in our care, your rabbit(s) will be housed safely indoors, treated with love and care, and get a clean litterbox, fresh hay, vegetables and water, every day. Please complete the form below to let us know how we can contact you, and to tell us about your rabbit's needs and typical behavior.

Fees: Unless other arrangements are made in advance, rates are \$16.00 for a single, or \$20.00 for a bonded pair sharing the same cage. See our website, www.bessiebunnys.com, for specific boarding fees. Rates are calculated per the number of nights the rabbit(s) are cared for (starting with the first night the rabbit is dropped off). Rabbits picked up after 5 p.m. incur an additional night's stay. Additional services (nail trimming, grooming, medication, etc.) will incur additional fees. See our web site or call 858-486-3746 for more details. **We accept only spayed/neutered rabbits.**

My vet, named above, has been made aware that I will be out of town and that my rabbits are being cared for by Judith Pierce and/or Larry Nixon, of Bessie Bunny's Bed & Breakfast. (We recommend that you provide your vet a letter authorizing emergency treatment, including telephone numbers where you can be reached.) I have also made arrangements for payment, with my vet, should an emergency arise. I understand that every attempt will be made to reach me should there be a medical emergency while I am away, but if I am not able to be reached, my vet has my permission to make a judgment call regarding the medical care of my rabbit(s). I take full responsibility for any bills incurred for my rabbits, and hold Bessie Bunny's Bed & Breakfast, and its owners, harmless.

Should I not return for my rabbit(s) on the agreed upon date, or make other arrangements, I agree that the above named rabbit(s) will be relinquished to a local San Diego County shelter, humane society, or rabbit rescue organization, thirty (30) days after our last communication.
